

## **10.1 Street Naming Consultation: Edenbridge Bellway Development**

Sevenoaks District Council has received an application from Bellway Homes, the developers of the housing scheme off Enterprise Way / St Johns Way Edenbridge, for an additional name for a new road in the scheme. The new road is in the additional area at the northern end of the development, formerly the site of Hamsell Mead Farm. A plan of the additional area is attached for reference; most of the houses will be addressed on roads that have already been named the additional name is needed for the group in the centre of the plan.

In line with the other names on the scheme, which share the theme of British motor racing, (Surtees Drive, Brooklands Crescent, Donnington Park Close, Goodwood Road, Paddock Close, Hill Close, Champions Drive, Hunters Way, Ringside and Hailwood Drive) it is suggested that the new name be Moss Road after Stirling Moss. This would mean that the most eminent late drivers and riders in British motor racing history are all represented in the development. We are now consulting Edenbridge Town Council for your views on the new name.

There are a few key requirements on the potential choice of road names, in order to comply with national address standards (BS 7666):

- The names of living personalities will not be used.
- The names chosen must not be similar to road names already in use in Edenbridge and the surrounding area, to avoid confusion for the emergency services and delivery companies.
- Where the names of personalities are chosen, only the surname will be used in the road name.

**To receive members' proposals.**

**Do members support the proposal for Moss Road, or to make an alternative recommendation?**
