

Southern Rail Digital Lineside Notifications

We are continuing our drive to promote this new and innovative way of informing residents who live near the railway about our work and projects.

As part of our 'Digital Notification' programme, neighbour notification letters will where possible be replaced by emails.

Thousands have already signed up in the southern region, and we would really appreciate your support in helping us stay in touch with our neighbours and communities.

If you haven't already done so, we'd be grateful if you could share [this link](#) or the QR code on the right through your communications channels. This will help our ambitions to keep everyone informed of our work in their local area.

Thank you for taking the time to read this month's newsletter. If you have any questions or require any assistance, please feel free to email the Southern Region Stakeholder Team at SouthernRegionStakeholders@networkrail.co.uk
